

GOING FOR GOLF

The Algarve has some of the world's best golf courses with many courses designed by some of golf's most famous names. However, the high standard isn't only down to the designer with all courses having immaculate fairways and smooth greens, paired together with the fantastic surrounding scenery, golfers will be in golfing paradise in the Algarve.

The Algarve remains a popular choice for UK golfers and the region continues to invest in golf tourism with the development of new golf resorts and courses.
